Credo House Publishers, United States, 2012. Paperback. Condition: New. Language: English. Brand new Book. There are people in our world today who, at "face value," seem to have little or no real value. The truth is, though, that what the world sees as "disposable" God sees as having incalculable worth. God assures us of a definite purpose and a plan for each of His children, including those-and perhaps especially those-whose life package includes "special needs." Immeasurably More shares anecdotes from the Aalderinks' life together as a family, interspersed with personal observations and accounts from siblings, friends, teachers, coaches, and others. This honest, humorous, and poignant real-life story will touch your heart, while illustrating how an unassuming young man transformed a family, a school, and even a community. He looked me in the eye, smiled warmly, and offered me a program. On the other...
